If the License has already been issued by MACHIAVELLI and signed by the Licensee, the Price referred to in point 5 above shall in any case be due to MACHIAVELLI even if the Licensee does not obtain the consent to use the cover version from the rights holders (authors and/or publishers).

The LICENSEE undertakes to indemnify and hold harmless MACHIAVELLI from any grievance, claim, damage or burden of any kind, including legal fees, arising from failure to comply with the above, as well as from the use of the CONTENT in violation of the License Agreement. In case of use of the PROJECT/PRODUCTION on video sharing platforms (such as Youtube, Dailymotion), this License - even if granted exclusively - does not guarantee the absence of advertising, even of competitors of the Licensee, from third parties. Should this occur, Machiavelli hereby declares its willingness to intervene with its licensors on the CONTENT to verify the possibility of remedying it, but cannot in any case be called to account, nor does the LICENSEE have the right to refunds, compensation or discounts of any kind on the PRICE.
